FRONT SIDE

Template
Coaster square
Size: 93 x 93 mm

You can use this file as an extra layer in your layout programme.
Do not forget to make our template invisible or to delete it
before you save your final PDF, or JPG with high a resolution.

Format size to be submitted (99 x 99 mm)
You can use this file as an extra layer in your layout programme.
Do not forget to make our template invisible or to delete it
before you save your final PDF, or JPG with high a resolution.

Finished size (93 x 93 mm)
Your printing will be cut on these dimensions. This format will
be the final size.

Safe zone (4 mm)
Please make sure you keep your important images and text 4
mm clear of the cutting edges. This prevents a possible cut in
the important parts, or that the images are so close to the edge
that it results in a sloppy design.

Template
Coasters round 100mm
Size: Ø 100 mm

You can use this file as an extra layer in your layout programme.
Do not forget to make our template invisible or to delete it before you save
your final PDF, or JPG with high a resolution.

Format size to be submitted (106 x 106 mm)
Finished size + 3 mm cutting margin (bleed)
It is advised to let the background and all of the images run through to this
edge. This ensures that your printing can be cut needly and this prevents a
white edge around your print.

Finished size (Ø 100 mm)
Your printing will be cut on these dimensions. This format will be the
final size.
